Image: Anti-Dark Circle Eye Cream

Alyria - Anti-Dark Circle Eye Cream
Product ID: 39933

Significantly reduces the appearance of dark circles under the eyes and provides an immediate concealing effect.

- For all skin types
- Non-irritating
- Ophthalmologist-tested

Anti-dark circle eye cream is formulated with HALOXYL™, Achromaxyl™ IS and retinol, in a time release MicroDelivery™ system. It is clinically proven to significantly reduce the appearance of dark circles under the eyes and provides an immediate concealing effect. Regular use under the eyes will provide brighter, more uniform and younger-looking skin.

Retail Price: \$72.00

Usage:

- * Apply twice daily.
- * First time users should build skin tolerance gradually: first week use once every second day; second week use once a day; third week use twice a day.
- * Follow with Revitalizing Eye Serum for added moisture.
- * Use sunscreen during the day.
- * For external use only, avoid contact with eyes and mucous membranes. If irritation develops, discontinue use. Keep out of reach of children.

Image: DNA Ceramide Renewal

Celfix Cosmeceuticals - DNA Ceramide Renewal
Product ID: 39869

Formerly called Del-Ray Barrier Repair Formula, Celfix DNA Ceramide Renewal Nourishing Cream is a Ceramide rich formula that helps accelerate lipid production and stimulate dermal fibroblasts to help reduce the signs of aging. It's ideal for dry or damaged skin caused by excessive environmental exposure. Celfix DNA Ceramide Renewal Nourishing Cream is also ideal for patients post procedure to help the body develop a healthy stratum corneum.

Retail Price: \$90.00

Usage:

Apply one metered dose to affected areas after cleansing. Can be used within any skin regimen. Effective skin care regimens always include sunscreen application in the morning.

Image: DNA iQuad Infusion

Celfix Cosmeceuticals - DNA iQuad Infusion
Product ID: 39870

Celfix DNA iQuad Infusion: This specially formulated eye complex helps to diminish the lines, puffiness, dark circles and photo damage around the delicate eye area.

Retail Price: \$80.00

Usage:

Once or twice daily, apply one metered dose to clean skin by dabbing gently to delicate under-eye area. Follow with sunscreen after morning application.

Clarisonic - Opal Sonic Infusion System

Product ID: 39865

Opal Sonic Infusion is a breakthrough in eye care that uses proven sonic technology to apply eye serum better than manual application. Developed by the lead inventor of Sonicare® and Clarisonic Sonic Skin Cleansing, Opal gently delivers Anti-Aging Sea Serum beneath the surface. In just one minute Opal provides more than 7500 gentle micro-massages to instantly hydrate, smooth and brighten the eyes when used with our Anti-Aging Sea Serum.

- Just 30 seconds around each eye immediately refreshes, firms and hydrates skin.
- After 4 weeks there is a noticeable improvement in skin's elasticity.
- After 8 weeks, fine lines and puffiness are visibly reduced and eyes appear brighter.

The Opal Sonic Infusion System is dermatologist- and ophthalmologist-tested, rechargeable and gentle enough for daily use.

Includes Anti-Aging Sea Serum, 1.7oz

Clarisonic co-founder Robb Akridge, PhD, optimized this serum for the dynamics of sonic infusion. Using his immunology expertise to promote skin health, he and his team of cosmetic scientists employed a multi-layered approach of marine extracts and botanicals to:

Hydrate - increasing moisture content to restore natural tissue fullness with marine-derived Collagen, Natural Moisturizing Factors (humectants), Prickly Pear Extract, and Trehalose (a complex sugar from desert plants).

Firm, Smooth, and tighten - With marine-derived Glycosaminoglycans (e.g. Glucosamines, Hyaluronic Acid, Chondroitin Sulfate; natural components of skin and joints), marine-derived Elastin, plus African Sausage Tree Fruit Extract.

Protect - the delicate skin near the eye and on the face with antioxidant-rich ingredients, including Canadian Willowherb, Oat Kernel Extract, and Acetyl Citrull Amido Arginine (a marine peptide).

Retail Price: \$185.00

Usage:

Opal seamlessly integrates into your eye care ritual.

- 1) Cleanse
- 2) Infuse eye serum with Opal Sonic Infusion System
- 3) If desired layer with your favorite eye product.

Fenix **Liquid Gold Sunless Tanner** 4 oz./ 118 ml.

The special botanicals found in Fenix sunless tanning lotion have been collected from all over the world as we continue on our quest to create for you the most luxurious tan without the sun. Our blend of natural ingredients serves to moisturize, hydrate and protect the skin without clogging pores or irritating sensitive skin.

Fenix **Green Tea Exfoliating Scrub (formerly: Botanical-25 Exfoliating Scrub)** 4.0 Fl oz / 115 ml

Green Tea Exfoliating Scrub is a mild but effective exfoliating scrub that is spa tested to smooth away dry flaky skin.

Cleanse, scrub and refine your face and body with our dermatologist-tested mild but effective Fenix Green Tea Exfoliating Scrub. Delicate particles of natural exfoliating walnut shell powder and finely milled loofah remove cellular debris, refine the epidermis, and improve circulation without abrasive stripping. Contains a soothing botanical blend to condition and heal the skin, while detoxifying Pacific sea kelp gently removes environmental pollutants. Nutrient enriched formula protects moisture between cells during deep cleansing. Skin feels invigorated and smooth.

Fenix **Rehydrating Sunscreen SPF 30+** 4 Fl oz / 115 ml

Unscented

This unique blend of natural ingredients promotes skin hydration and combats free radicals, while our cutting edge sunscreen technology gives you broad-spectrum UVA/UVB protection. Our unique blend of ingredients naturally elevates the sun protection factor, while helping to combat skin cancer, wrinkles and premature aging.

- Non Irritating
- Water Resistant
- SPF 30
- Fragrance Free

Retail Price: \$94.00

Our Price: \$80.00

Usage:

fenix **Liquid Gold Sunless Tanner** 4 oz./ 118 ml.

Smooth evenly over the face and body. Color will intensify within 6 hours. To avoid discoloring palms wash hands with soap and water immediately after use. For best results exfoliate skin prior to application. Wait at least 1 hour after use before contact with water or bathing. To maintain tan apply fenix sunless tanning lotion 1 - 2 times weekly.

fenix **Green Tea Exfoliating Scrub (formerly: Botanical-25 Exfoliating Scrub)** 4.0 Fl oz / 115 ml

Fenix Green Tea Exfoliating Scrub

Primary Usage: Use once (or twice) a week in the shower on the face and body, apply by hand or with a washcloth. Rub in a circular motion, adding more as needed in rough areas like your elbows, knees, or heels.

Green Tea Exfoliating Scrub: Use prior to application of Fenix sunless tanning lotion with Liquid Gold will result in a superior artificial tan.

fenix **Rehydrating Sunscreen SPF 30+** 4 Fl oz / 115 ml

Apply daily to face, neck and body, or apply liberally before sun exposure. Use before applying make-up. To maintain protection reapply after swimming, or excessive perspiring.

May be used to help maintain results following invasive cosmetic procedures, beginning 7 to 10 days after the procedure or as recommended by the treating physician or aesthetician.

Image: C8 Peptide Deep Wrinkle Treatment

Kinerase - C8 Peptide Deep Wrinkle Treatment

Product ID: 39885

IMPROVE THE LOOK OF DEEP WRINKLES IN JUST 14 DAYS!

Revitalizes firmness and elasticity to visibly smooth the look of deep wrinkles from deep within skin's surface, beginning in 14 days.

This powerful targeted serum with an exclusive blend of kinetin and synergistic peptides attacks deep wrinkles from multiple angles for a visibly smoother look.

It includes the highest level of kinetin available at 0.2% plus 50% more peptides vs. the original C8 Peptide for faster results on the more stubborn wrinkles.

With these ingredients, C8 Peptide Deep Wrinkle delivers remarkable improvements in the appearance of deep wrinkles and helps to delay signs of aging for noticeably younger looking skin in just 2 weeks:

- Stabilized vitamin C, a natural brightener and collagen booster, evens skin tone as it fills in the look of fine lines and wrinkles.
- Kinetin, Kinerase's cornerstone ingredient. It is a plant-based technology and anti-oxidant clinically shown to delay signs of aging.
- Snap-8, A neuropeptide (specifically, an octapeptide), which is also an elongation of the famous hexapeptide Argireline®. Reduces the appearance of wrinkles caused by repetitive facial expressions.
- Leuphasil, Pentapeptide that reduces the appearance of wrinkles caused by repetitive facial expressions. Works synergistically with Argireline by attacking the wrinkle in multiple angles.
- Argeriline, Hexapeptide that reduces the appearance of wrinkles caused by repetitive facial expressions. Works synergistically with Leuphasil by attacking the wrinkle in multiple angles.

Retail Price: \$130.00

Usage:

Apply Kinerase C8 Peptide Deep Wrinkle Treatment to the face, neck and décolletage in the morning. For optimal results, use with your favorite Kinerase moisturizer.

KINeSYS - Travel Kit

Product ID: 50078

KINeSYS SPF 30 Sun Protection Stick 7.3 g
Sunscreen In A Stick For Hard To Protect Skin.

- Broad spectrum UVA/UVB protection
- Oil-free / Alcohol-free / PABA-free
- Water-resistant / Sweat-resistant
- Hypoallergenic / Non-comedogenic
- Fragrance-free

Not to be mistaken for a lip balm, KINeSYS Sun Protection Stick is extra wide to provide complete sun protection not only for lips but for ears, nose, back of the neck, forehead and other hard to shield areas. Suitable for year round use and comes in a convenient small package that is ideal for pockets, bags or purses. Resists perspiration and abrasion better than a conventional cream, lotion or spray. The perfect compliment to either KINeSYS Spray or Cream sunscreens used to cover larger body areas.

KINeSYS Travel Size SPF 30 Sunscreen SPRAY with Parsol 1789 30 ml / 1 oz.
Microspray™ Application Fast Drying Without Rubbing.

- Broad spectrum UVA/UVB protection with Parsol® 1789.
- Oil-free / Alcohol-free / PABA-free.
- Water-resistant / Sweat-resistant
- Hypoallergenic / Non-comedogenic
- Mango scented
- Preservative Free

UVB light is the principal cause of sunburn and sun-related damage that can lead to skin cancer. This KINeSYS product has a Sun Protection Factor (SPF) rating of 30, meaning that it extends the body's natural UV resistance by 30 times. If applied as directed, this product will effectively absorb both UVA and UVB rays. Microspray™ application is perfect for sports, as it sprays on wet and dries in 2-3 minutes leaving no residue to affect grip.

KINeSYS Travel Size SPF 15 Sunscreen SPRAY with Parsol 1789 30 ml / 1 oz.

Image: Anthelios 50 Mineral

La Roche-Posay - Anthelios 50 Mineral

Product ID: 39886

Breakthrough Technology

New Anthelios 50 Mineral with Cell-Ox Shield™: a patent pending combination of mineral sun filter and powerful anti-oxidant complex to further protect your skin, even at the cellular level.

Recommended For

- All skin types

Product Information

For the first time, a mineral sun filter and powerful anti-oxidants are combined in a unique patent pending formula that offers 100% mineral UV protection down to the cellular level• in a unique lightweight, non-whitening texture.

The first line of defense is an advanced UV filtering system featuring an optimized blend of titanium dioxide (TiO₂) that offers long-lasting, broad spectrum protection with advanced efficacy against UVA rays. A proprietary dispersion technology is the key to assuring this enhanced uniform protection.

The second line of defense features CELL-OX SHIELD™, a powerful patent-pending antioxidant complex featuring Senna Alata.
Benefits

- High UVA protection & SPF 50 for outdoor use
- Broad-spectrum UVA/UVB protection
- Photostable, long-lasting protection
- Light, satin finish
- Non-comedogenic
- Fragrance-free, PABA-free
- Safe for Sensitive skin
- Paraban-free
- Water resistant

Key Ingredients

- Titanium Dioxide 11% (Sunscreen)

Retail Price: \$31.95

Usage:

- * Shake well before use
- * Apply evenly before sun exposure
- * Reapply as needed or after towel drying, swimming, or perspiring
- * Children under 6 months of age; ask a doctor

Image: dpl Nuve-Acne

LED Technologies - dpl Nuve-Acne
Product ID: 39898

LED Technologies introduces the dpl Nnve Blue; a handheld which is FDA cleared for treating acne. Acne affects people of all ages, gender and race. Living with acne can be agonizing, tormenting and unfortunately, persistent. The oil in our skin, sebum, causes the pores in our skin to become clogged resulting in pimples, blackheads, whiteheads and even cysts. Sebum is increased when hormones are intensified; which explains why teens are more prone to get acne and why women suffer from more acne breakouts. Blue light therapy will penetrate the deeper layers of skin without hurting the skin's surface. By targeting and destroying the bacteria that causes acne flare-ups, the dpl Nuve for acne is an effective means of treating this chronic skin condition. The dpl® Nuve Blue is all natural, safe, has no harmful UV rays, no harsh irritating chemicals, painless, no side effects and super easy to use. With its 60-415nm Blue LEDs, it is one of the most powerful acne light therapy systems on the market. Extremely convenient for the in-home user! You will see noticeable results from adolescent acne to annoying adult acne flare-ups. Durable and comes with a 1-year warranty. Goggles and travel bag included.

- The dpl Nuve Blue - a handheld which is FDA cleared for treating acne.
- 60-415nm blue LEDs, Portable, FDA cleared OTC.
- Automatic shut-off, 1 year warranty.

Retail Price: \$198.00

Usage:

We recommend 3 minutes per treatment area, twice daily, while acne persists.

Image: Advanced Formula

Product ID: 39844

MEG 21 Advanced Formula with Supplamine is a gentle and soothing anti-wrinkle/anti-creping treatment formulated specifically for hard-to-treat areas of the neck, chest, and upper arms but is gentle enough for the face. Advanced Formula has more of the active ingredients of Supplamine than our Face Treatment and is enriched with shea butter and green tea extract. It provides the most effective treatment for dry, irregular, spotted, lined, and wrinkled skin.

Retail Price: \$130.00

Usage:

Lift off cap, gently press down on white disc to pump. Using a fingertip, apply twice a day, at night and in the morning, on clean skin.

Image: Anti-oxidant Boost

MEG 21 - Anti-oxidant Boost

Product ID: 39845

MEG 21 ANTI-OXIDANT BOOST with Supplamine combines the power of Supplamine with Indian gooseberry and grape seed extract to provide the ultimate therapy that your skin cells need to fight glycation, free radicals, and oxidative stress. With the added anti-oxidant boost, this silky, lightweight treatment will reduce the appearance of fine lines and wrinkles and give your complexion a more youthful, radiant glow.

- Allergy tested, scientifically formulated, non-irritating anti-aging treatment

Retail Price: \$95.00

Usage:

Apply MEG 21 Anti-Oxidant Boost twice a day on clean skin. For best results, follow with MEG 21 Face Treatment or MEG 21 Advanced Formula.

Image: Eye Treatment

MEG 21 - Eye Treatment

Product ID: 39846

MEG 21 Bright and Firm Eye Treatment is infused with Supplamine® to reduce the appearance of fine lines and wrinkles. We have combined Supplamine with additional active ingredients including three scientifically proven botanical extracts that will brighten the skin, firm and strengthen the fragile eye area, decrease puffiness and dark circles, while improving overall appearance!

Retail Price: \$75.00

Usage:

Apply MEG 21 Eye Treatment twice daily to skin adjacent to and beneath the eye area after cleansing.

Image: Face Treatment

MEG 21 - Face Treatment

Product ID: 39847

MEG 21 ADVANCED FORMULA is specially formulated for hard-to-treat skin found on the neck, chest and upper arms, but gentle enough for the face. Reduces appearance of fine lines/wrinkles and improves overall skin texture and smoothness. Noticeable results in four weeks or less!

Retail Price: \$110.00

Usage:

Lift off cap, gently press down on white disc to pump. using a fingertip, apply twice a day, at night and in morning, on clean skin.

MEG 21 - Hand Treatment
Product ID: 39848

Like all MEG 21 products, the Hand Treatment contains Supplamine® to reverse the appearance of age-revealing fine lines and coarse, dry skin within 4

MEG 21 Age-Defying Hand Treatment addresses the signs of aging in the delicate skin of the upper hands by using liposomes to deliver Supplamine® into the skin. The results are superior moisturization, reduction in fine lines, improved skin tone and a smooth, silky feel.

Retail Price: \$49.00

Usage:

Apply MEG21 Age defying Hand Treatment to clean skin in the morning and especially at night. Gently massage into top of hands to relieve dryness and retexturize the skin.

Image: Redness Relief

MEG 21 - Redness Relief
Product ID: 39849

- Alleviate inflammation and redness, especially for those with sensitive or rosacea prone skin
- Promote healing and minimize recovery time following in-office procedures
- Contains Supplamine®, clinically proven to reduce the appearance of fine lines and wrinkles

MEG 21 Redness Relief instantly works to combat skin inflammation, redness and irritation, while promoting skin healing. This unique formula combines the anti-glycation fighting powers of Supplamine®, with the natural soothing extracts of Aloe, Burdock Root, Comfrey, Allantoin, Licorice and Ginger. This dual action combination will soothe sensitive and rosacea-prone skin while treating the harmful effects of glycation that lead to skin aging.

MEG 21 Redness Relief is also the perfect weapon to complement aggressive in-office procedures. Apply this ultra-light calming treatment post procedures to enhance and speed recovery time and healing. Redness Relief will reduce inflammation, while boosting your clients' natural skin collagen and improving overall results. For at-home and maintenance use, suggest that your clients apply the treatment on clean skin, to targeted areas twice a day, or as needed for instant relief and soothed skin.

Retail Price: \$85.00

Usage:

Cleanser skin thoroughly. Apply MEG21 Redness Relief to affected areas twice daily.

Image: Absolute Bronzing Boost SPF 15 | PA++

Murad - Absolute Bronzing Boost SPF 15 | PA++
Product ID: 39888

Murad Absolute Bronzing Boost SPF 15 produces a healthy sunny complexion that looks and feels more healthy. Jojoba and sweet almond oils help diminish fine lines while locking in moisture. The buildable bronzing boost blends seamlessly with your skin, for a natural and radiant appearance. An added sunscreen helps fend off UV rays, for daily protection.

Retail Price: \$38.00

Usage:

Blend evenly over face and neck. Coverage is buildable; apply as much or little as desired. Wear alone for a bronze glow or for more complete coverage mix in with foundation.

Image: Bio Serum Intensive Spot Treatment

Product ID: 39934

Reduce the signs of aging with the most intensive bio-stimulating PSP Serum available (100% more). Peptides and Hyaluronic Acid work synergistically to transform skin in as little as seven days.

This unprecedented concentration of PSP helps to safeguard collagen and elastin from environmental aggressors. Bio-Serum fortifies the skin and turbo-charges the skin's own regenerative powers. Formula is non-comedogenic and free of fragrance and color additives.

BENEFITS:

- Skin is immediately plumper and luminous
- Immediate reduction in signs of fine lines and wrinkles
- Increased hydration and a renewed feeling of tautness
- Improved tone and texture
- Reduce significant lines and wrinkles

Retail Price: \$80.00

Usage:

Apply using pen like applicator to stubborn lines and wrinkles am and pm.

Image: Cellular Restoration

Neostrata - Cellular Restoration

Product ID: 39894

This potent SynerG Formula 15.0 takes a multi-mechanistic approach to rejuvenating cellular function and strengthening skin's underlying structure with collagen and glycosaminoglycans (GAGs). This formulation contains Apple Stem Cell Extract which protects and extends the life of skin's own stem cells, helping to delay the effects of aging. Peptides enhance collagen and reduce the appearance of deep wrinkles. Glycolic Acid is clinically proven to increase collagen production and GAGs, plumping and filling the skin so that wrinkles are smoothed from the inside out. A powerful combination of the antioxidants Maltobionic Acid and Gluconolactone helps stimulate repair in deep skin layers by chelating damaging oxidative metals and neutralizing MMP enzymes to prevent the breakdown of collagen. In addition, grape seed extract, a polyphenol antioxidant known for its anti-inflammatory properties, works with SuperFruit antioxidant extracts of pomegranate, blueberry, and acai to protect against cell aging from daily environmental stressors. Non-comedogenic, non-acnegenic.

Retail Price: \$79.00

Usage:

Apply to the face and neck following cleansing and any other treatment product. Daily use of sunscreen or sun avoidance is recommended with use of this alpha hydroxyacid (AHA) product and for one week after, to minimize the risk of sun sensitivity/sunburn.

Image: Comprehensive Antiaging Regimen

Neostrata - Comprehensive Antiaging Regimen

Product ID: 39895

New NeoStrata Skin Active, an advanced, comprehensive antiaging regimen, targets all the visible signs of aging with state of the art technologies. The effects of aging on skin are multiple: fine lines, wrinkles, discoloration and sagging. No single ingredient can address them all. That's why the NeoStrata Skin Active system combines powerful clinically proven ingredients that work synergistically in all layers of the skin to help reverse the visible signs of photodamage. These

potent formulations stimulate cell renewal, even tone, boost collagen and protect against oxidative damage. Lines and wrinkles are smoothed from the inside out. Skin looks healthier, firmer and younger.

The NeoStrata Skin Active Comprehensive Antiaging Regimen is a high performance skincare system. If you are new to antiaging products or have sensitive skin, you may want to use a step-up approach, using one or two products initially and adding additional products as your skin adjusts.

Regimen includes travel sizes of NeoStrata Skin Active Exfoliating Wash (1.3 fl. oz), NeoStrata Skin Active Matrix Support SPF 20 (0.5 oz), NeoStrata Skin Active Cellular Restoration (0.5 oz), and NeoStrata Skin Active Intensive Eye Therapy (0.35 oz).

Retail Price: \$79.00

Usage:

Step 1: Cleanse - NeoStrata Skin Active Exfoliating Wash

Apply to wet skin massaging gently. Rinse thoroughly with water. Use twice daily.

Step 2: Support - NeoStrata Skin Active Matrix Support SPF 20

Apply to face and neck daily following cleansing. Apply additional sunscreen as needed for prolonged outdoor activities.

Step 3: Restore - NeoStrata Skin Active Cellular Restoration

Apply to face and neck in the evening following cleansing and any other treatment product. Daily use of sunscreen or sun avoidance is recommended with use of this Alpha Hydroxy Acid product and for one week after, to minimize the risk of sun sensitivity/sunburn.

Step 4: Firm - NeoStrata Skin Active Intensive Eye Therapy

Gently apply on the area around the eyes. Use once daily for two weeks, then twice daily thereafter.

Image: Exfoliating Wash

Neostrata - Exfoliating Wash

Product ID: 39891

This unique SynerG Formula 8.5 lightly exfoliates without over drying, preparing the skin for optimal treatment benefits. Polyhydroxy Acids, including Gluconolactone and Maltobionic Acid, stimulate cell turnover and remove debris from pores, enhancing skin texture and clarity. This soap-free foaming cleanser effectively removes oil and makeup without irritation. Patented Maltobionic Acid leaves the skin feeling hydrated, while a botanical complex of aloe, chamomile, cucumber and rosemary extracts soothes and refreshes. Suitable for all skin types.

Retail Price: \$35.00

Usage:

Apply to wet skin, massaging gently to cover the entire face. Rinse with water. Use twice daily. Caution: For external use only. Avoid getting into eyes. If contact occurs, rinse well with water. If rash or irritation develops, discontinue use.

Image: Intensive Eye Therapy

Neostrata - Intensive Eye Therapy

Product ID: 39893

This unique SynerG Formula 6.0 employs a multi-mechanistic approach to building and plumping the deep layers of the skin for exceptional results. Apple Stem Cell Extract protects the longevity of skin's own stem cells so your skin behaves like younger skin. Peptides stimulate

matrix components to produce more collagen, and together with patented NeoGlucosamine™ reinforce collagen's surrounding support structure. The eye area appears more lifted, and crow's feet are smoothed from the inside out. NeoGlucosamine™ also inhibits a key enzyme in melanin formation, reducing the appearance of uneven pigmentation. Caffeine helps deflate puffiness under the eye, while hyaluronic acid acts as a natural moisture magnet. Vitamin E provides antioxidant benefits. The result is noticeably younger looking eyes. Ophthalmologist tested.

Retail Price: \$75.00

Usage:

Gently apply around the eye area until cream disappears. Use once daily for two weeks, then twice daily thereafter.

Image: Matrix Support SPF 20

Neostrata - Matrix Support SPF 20

Product ID: 39892

This advanced SynerG Formula 8.0 includes three clinically proven technologies, each with a unique action, for greater skin repair and strengthening. Peptides increase collagen production in the deep matrix. Patented NeoGlucosamine™ and Retinol work together to build hyaluronic acid, skin's natural support structure, enhancing skin's plumpness and firmness, and smoothing wrinkles from the inside out. A potent antioxidant complex containing pomegranate, Vitamins A & E and coffee arabica berry helps protect skin's matrix against further damage to collagen and neutralizes free radicals, allowing the skin to repair itself. UVA and UVB filters shield the skin from the burning and aging effects of everyday sun exposure. NeoGlucosamine™ and Retinol combine to increase cell turnover, diminish the appearance of fine lines and wrinkles and increase clarity. NeoGlucosamine™ also reduces the appearance of skin discoloration. Non-comedogenic, non-acneogenic.

Retail Price: \$60.00

Usage:

Apply to face and neck daily following cleansing. Apply additional sunscreen as needed for prolonged outdoor activities.

NEOVA - Antioxidant Cleansing Milk

Product ID: 39843

Free NEOVA samples included with every Antioxidant Cleansing Milk.

Image: Omic BlemishLess Kit

Omic Skincare - Omic BlemishLess Kit
Product ID: 39857

The BlemishLess 3 Step Rapid Clarifying System stops blemishes before they begin. Powerful Salicylic Acid, an anti-inflammatory, can penetrate sebaceous material in the follicle, reducing inflammation (Swelling), treating oily/acne/problem skin without irritating or drying. Reducing inflammation will lessen oil production, decreasing pore clogging which can cause flare-ups.

Kit Includes:

Purifying Foaming Gel (3.4 oz.): Purifies oily/combo/acne prone

skin with anti-inflammatory Salicylic Acid, gently exfoliating dead skin cells. Deeply penetrates to dissolve excess oil and impurities with Zinc while calming redness and irritation with Boswellia Extract. Foaming action cleanses without causing dryness or flaking, leaving skin clean and clear.

Antibacterial Pads (40 Pads): Stop breakouts before they start. Potent Tea Tree Oil, kills bacteria on contact, reducing redness and swelling. Salicylic Acid keeps skin clear, preventing future breakouts.

Blemish Fighting Lotion (1.0 oz.): Blemish Fighting Lotion is non-irritating, blemish fighting complex formulated to repair and treat oily/combo/combination/ace prone skin. Powerful Salicylic Acid reduces inflammation first, which helps to eliminate pore clogging buildup and clear existing blemishes while preventing new flare-ups. Antibacterial Sinc instantly guards against surface bacteria to reveal clearer, healthier skin.

Retail Price: \$34.00

Usage:

Step 1: Purifying Foaming Gel Cleanser - Gently exfoliates dead skin cells with non-irritating, anti-inflammatory, Salicylic Acid, dissolves excess oil with Zinc and calms redness and irritation with soothing, Boswellia Extract.

Directions: Apply dime size amount to damp skin. Create lather and massage gently in circular motion for 1-2 min. Rinse well. Pat dry. Use am and pm.

Step 2: Anti-Bacterial Pads: Fast acting oil absorbent pads formulated with potent antibacterial Tea Tree Oil kills bacteria on contact, reducing redness and irritation. Salicylic Acid clarifies skin, preventing future breakouts.

Directions: Cleanse skin thoroughly before applying medicated pads. Gently swipe pad onto affected areas and let dry. Do not rinse. Use am and pm. Can also be used on neck, chest and back. Avoid eye area.

Step 3: Blemish fighting Lotion: Eliminates pore-clogging buildup, clears existing blemishes and prevents new flare-ups.

Directions: Apply to areas 1-2 times a day. Let Dry. If dryness/peeling occurs, reduce application to once a day or every other day for 2 weeks, then maintain once a day, every day.

Image: OneTone Skin Lightening Serum-NeoTone Formula

Omic Skincare - OneTone Skin Lightening Serum-NeoTone Formula

Product ID: 39856

In order to maintain an even skin tone, daily UV protection is a must.

OneTone Serum targets pigmentation issues by reducing dark spots and preventing them from resurfacing. Potent lightening complex controls melanin production, revealing a lighter, brighter and more even skin tone. Absorbs and dries quickly.

Original Neotone Formula: Innovative formulation of 6 synergistic active ingredients tested and recommended by our team of cosmetic scientists.

4% Lumiskin: keeps tyrosinase enzyme inactive.

0.1% Licorice Extract: anti-inflammatory, provides luminous glow and suppresses formation of melanin.

2% Alpha Arbutin: inhibits melanin production, allowing for a more even skin tone.

2% Ascorbic Acid: brightens, firms and protects against damaging free radicals.

6% Glycolic Acid: stimulates cellular renewal, softens skin texture.

0.1% Salicylic Acid: anti-inflammatory, enhances quick and effective penetration of active ingredients into the skin.

Retail Price: \$50.00

Usage:

Apply OneTone Serum to dark pigmented areas on clean dry skin, preferably at night. Avoid sun exposure. It is a must to follow up with sun protection SPF 30 or higher everyday to prevent dark spots from resurfacing.

Omic Skincare - PoreFree Pore Refiner-Medium

Product ID: 39862

PoreFree hides pores and imperfections, instantly refining their appearance. Lightweight with satin finish. PoreFree absorbs oil and mattifies shine, providing skin with a smooth even finish.

Retail Price: \$34.00

Usage:

Apply a thin layer of PoreFree after cleansing. Re-apply throughout the day as needed. Excellent as a make-up primer.

Omic Skincare - Rosacea Relief Ruboril S

Product ID: 39854

Rosacea Relief provides immediate relief of rosacea prone symptoms, calms facial redness, inflammation and irritation. Soothes and comforts a sensitive complexion with anti-inflammatory licorice extract and decreases sensitivity of redness with powerful anti-oxidant golden chamomile. Helps eliminate flare-ups and protect delicate skin from harsh environmental damage.

Retail Price: \$40.00

Our Price: \$36.00

Usage:

Apply to face on rosacea prone areas to dry cleansed skin, twice a day. Let dry. Because rosacea prone skin may be susceptible to sun damage and result in flare-ups it's recommended to use sun protection with SPF 30 or higher daily.

Image: Skin Polish Exfoliating Cream

Omic Skincare - Skin Polish Exfoliating Cream

Product ID: 39861

Exfoliating Cream gently polishes away dull skin, revealing a radiant youthful glow. Softens skin's texture with soothing botanicals of aloe, chamomile and potent anti-oxidants of green tea and Vitamin "C".

Retail Price: \$27.20

Usage:

Dampen skin with warm water and gently massage cream onto skin for 1-2 min. Avoid eye area. Rinse well, pat dry. Best if used 1-2 times a week, allowing 3-4 days between each use. If dry/sensitive skin, use every 2 weeks, massaging gently for 30 seconds.

Image: Unitone Clarifying Whitening Cream-2% Hydroquinone

Omic Skincare - Unitone Clarifying Whitening Cream-2% Hydroquinone

True Cosmetics - Purifying Glycolic Gel Cleanser

Product ID: 39868

Wash away impurities and prevent future breakouts. Purifying Glycolic Gel Cleanser is a deep penetrating cleanser that works to remove dead surface skin cells in order to correct skin imperfections such as acne, sun damage, blemishes and the early signs of aging. This gel based cleanser is infused with the powerful AHA, glycolic acid, to break up the adhesiveness of the skin that binds dry, depleted skin cells together that keeps newer skin from making its way to the surface. Helps correct skin imperfections associated with acne as well as fine lines and wrinkles by helping in absorbing the excess oil in the skin and getting rid of dead surface skin. Prepares the skin for other skin treatment leaving your skin feeling softer, refreshed and revitalized. Use twice a day as your daily cleanser.

All Sales Final - No Returns or Exchanges.

Retail Price: \$35.00

Usage:

Use daily as a routine cleanser. Spread a quarter-sized amount onto dry skin and massage gently over face. Warm water may be added at this point to work into a gentle lather. Remove thoroughly with tepid water and soft facial cloth, pat dry. Use morning and evening.

Vivierskin - Sun Protection SPF 45

Product ID: 39867

Combination organic and inorganic sunscreen offering the highest SPF protection for the face. Ideal following in-office procedures especially for sensitive or irritated skin.

Retail Price: \$39.00
